

**Families of teens or young adults
with a chronic health condition
Receive \$100 gift card
for 2 hours of your time!**

**Read on to
find out how!**

How: Participate in a 2 hour focus group regarding experiences and concerns with moving from pediatric to adult healthcare.

Who: Parents of a child 16 to 26 with a chronic health condition such as diabetes, sickle cell anemia or developmental disabilities. We will also be conducting a session with 16 to 18 year olds.

Date: Saturday, March 9, 2013. Seating is limited and scheduling will favor those who call first.

Time: Sessions held at 10:00 AM or 12:30 PM.

Where: Mid City Los Angeles near Wilshire & Highland.

Reimbursement: Participants who are able to be scheduled and attend a session will receive a **\$100** gift card at the end of the completed interview. Parking and a light meal will also be provided.

Interested: To be scheduled **please contact Cathy at (310) 559-9199**. There will be some quick qualifying questions. Our offices are open Monday through Thursday 9:00 AM - 7:00 PM, Fridays we close at 5:00 PM.
