NOVEMBER 19, 2011 HOMEWALK

In this time of economic crisis, it is more important than ever to focus on permanent solutions to end homelessness in Los Angeles County. The United Way of Greater Los Angeles is supporting this effort by sponsoring the Fifth Annual HomeWalk: *"The Walk to End Homelessness"* on Saturday, November 19, 2011. The Chief Executive Office is soliciting County employees' involvement in this event. Together, we can help to make a meaningful difference in the lives of over 51,000 homeless men, women, and children.

The 2011 HomeWalk will consist of a non-competitive 5K course that entrants can walk or run in support of the United Way's *A Pathway HOME* initiative. The funds raised via HomeWalk will help the initiative to increase access to permanent affordable housing, with supportive services like health care, mental health, job training, and case management for homeless families and individuals.

On August 23, 2011 the Board of Supervisors unanimously passed a motion proclaiming the County's support of the 2011 Homewalk. Please encourage your staff to participate in this event by visiting www.HomeWalkLA.org and clicking on the register tab; staff can register as part of the "County Team," or your Department can register as a separate walk team. Registering online is fast and easy. If your Department wishes to create their own team, or if you join the "County Team," you will need to designate an individual to be your Department's lead. Your lead will be responsible for recruiting walkers, promoting fundraising, and monitoring your Department's progress. The goal is to continue the County's trend of increasing our number of walkers and the amount of funds we raise each year. Please join the effort and help us surpass our 2010 County contribution of over 90 walkers and \$11,700 raised!
