STAYING CONNECTED

Breakout rooms discussions to mingle and reflect on the year.

Dr. Marjorie Braude Legacy

The Dr. Marjorie Braude Award was developed in 2005 to commemorate the groundbreaking work she did in bringing together diverse and distinct entities in the City of Los Angeles that impact and are impacted by intimate partner violence. The formation of the City's Domestic Violence Task Force (now Domestic Violence Alliance) showed insight and determination to bring awareness to the City Council, and she was the first recipient of that award, posthumously. Her vision was remarkable, and we continue to honor those who have followed in her footsteps.
