

We're looking for the best RNs in California to be Health Facilities Evaluator Nurses for Los Angeles County.

Compassion and commitment are important attributes for any nurse. At the Los Angeles County Health Facilities Inspection Division (HFID), you will be a part of a caring and dedicated team.

Our mission is to promote the highest quality of care to patients in health facilities and other settings throughout the County of Los Angeles.

As a Health Facilities Evaluator Nurse, you will play a vital role by ensuring that those caring for our most vulnerable residents comply with laws, rules and regulations.

If you have compassion and commitment, please join our dedicated staff, and come to work where your work makes a difference.

Our nurses practice in a setting unlike any other...We are the nation's most populous county and home to a vibrant ethnic mix of 10 million residents. Our population is larger than that of 42 states, and more than 100 languages are spoken here. Los Angeles County covers 4,084 square miles and has 88 cities.

#### Where Else Can You Find and Enjoy:

- Great weather
- Quick access to beaches, mountains and deserts
- Exciting shopping, dining and nightlife
- Outstanding arts and culture
- Endless recreational opportunities
- Award-winning professional and collegiate sports teams
- Prestigious universities and technology schools
