

Preparation for Respiratory Virus Season

1 month to go!

SNF Vaccine Monthly
August 2025

Are you ready for Respiratory Virus Season?
Check if you have:

Confirmed a pharmacy partner or identified another source for vaccine ordering or clinic support.

Prepared for early and efficient consent processes.

Begun scheduling facility vaccine administration or pharmacy clinics in September-November.

Prepped for vaccine orders, vaccine management, and CAIR data entry for COVID-19, Flu, and RSV vaccines.
