

Influenza (Flu) 2010

Vaccine Recommendations for Flu, PPSV & Tdap

FREE In-services provided by:

Los Angeles County Immunization Program

Willie Watts-Troutman, RN, PHN, Adult Immunization Coordinator

www.publichealth.lacounty.gov/ip

***Due to limited class space, please call 213.351.7800 to RSVP**

DESCRIPTION:

The **Influenza (Flu), Pneumococcal Polysaccharide (PPSV), and Tetanus, diphtheria, acellular pertussis (Tdap)** vaccines recommendation in-service will focus on disease information, vaccine indications, adverse reactions, contraindications, vaccine schedule, vaccine administration, and vaccine storage and handling.

OBJECTIVES: After attending this course, participants will be able to:

1. List two major categories of persons who should be immunized with Flu, PPSV, and Tdap vaccines.
2. Differentiate between the two types of Flu vaccines.
3. Identify the contraindication(s) associated with Flu, PPSV, and Tdap vaccination.
4. State the dose and route of Live Attenuated Influenza Vaccine (LAIV) administration for children and adults who meet the licensure eligibility criteria.
5. Identify two primary indications for immunizing Healthcare Workers with flu vaccine in Los Angeles County.

CEU: Provider approved by the California Board of Registered Nursing, Provider Number 11809, for 1.5 contact hours (**bring license number**). A Certificate of Attendance will be given to non-licensed healthcare workers.

CME (2 dates only): Approved for 1.5 credits for **Physicians** who attend this activity and may apply this credit towards the IMQ/CMA certification in CME. Certificate of Attendance will be given to all other attendees.
