Overview of IRBManager application process

(Rev. April 16, 2025)

Section 1: Accessing IRBManager

- Please click on the link below (Press CTRL + click) to open the IRBManager login page.

IRBManager login link: <https://lacdph.my.irbmanager.com/>

The screenshot shows the login page for the County of Los Angeles Public Health IRBManager. At the top left is the County of Los Angeles Public Health logo. Below the logo is a grey bar with the word "Login" in red. The main content area has a "User Name:" label followed by a yellow input field. Below the input field is a "Continue" button. Below the input field and button is a link that says "Don't have an account? Click here to register." At the bottom of the page, there is a copyright notice: "Copyright ©2000-2025 Tech Software. All rights Reserved. 2025.6.8158.0/Release/f0d0405 | GCWAWS1 | 2025-06-18 18:49:16Z" and a logo for "Powered By IRBManager".

New Users

- If this is your first time accessing IRBmanager and you are an LA County employee, please log in using your County email address and password.
- If you are not an LA County employee, you will need to register for a new account (unless an account was created for you by someone else; refer to the “Existing Users” section below for more information). To complete the registration process, click the link that says *Click here to register*, then enter a user name (use an email address that you check regularly) and password on the pages that follow.

Existing Users

- **If an account was created for you** (either by IRB staff or by one of your colleagues working on an application), you do not need to complete the new user registration process again. You will receive an email notification when someone has created an account for you. Proceed to the login page using the link in the email and enter your email address as your user name; make sure the email matches the email that was used to create your contact. You will be prompted to create a password.

- **If you already have an account**, navigate to the login page and enter your user name. On the next screen, if you are a County employee, you will be prompted to re-enter your County email address and then your County password in order to log in. If you are not a County employee, you will be prompted to enter your password after entering your user name the first time.

Please contact IRB@ph.lacounty.gov if you have any trouble logging in to IRB Manager. If possible, please include screenshots of any error messages to help IRB staff troubleshoot the issue.

Section 2: Navigating Your Dashboard

- Once you have successfully logged in, you will be automatically taken to your dashboard. Your dashboard may appear slightly different than the image below, but the basic functions noted throughout this guide will be available.

- From the dashboard, you can access any IRB projects you are associated with (i.e., listed as PI, Co-PI, Division Chief/Program Manager, DPH/DHS liaison, program coordinator, point of contact, and/or key personnel). You can also start a new IRB application (see [Section 3](#)), start an amendment application for requesting changes to approved projects, and/or submit reports such as continuing review requests, annual progress reports, final reports, and adverse event reports (see [Section 6](#) for assistance with submitting amendment applications and reports).

Let's take a closer look at the features available on your Dashboard.

- From the **IRB** tab you can view your approved projects (active and inactive/closed projects). Click on the IRB # of a particular project to open the project details page (see the image below).

The screenshot shows the IRB Dashboard with the following elements:

- Top navigation: 3 IRB, 2 xForms, 12 Events, and a Notice bell icon.
- Search and Action buttons: Search Projects, Export to Excel, Click here to start an IRB application, Start Other xForm.
- Role filters: 1 PI, 2 Point of Contact, 1 Program Director.
- Project Cards:
 - 2022-04-995-DPH: Approved as exempt as non-research, Exp Exempt. PI: Kwon, Alysia. Description: Health Equity in Research, Evaluation and Other Data-gathering Activities.
 - 2023-06-009-DPH: Pending. PI: Kwon, Alysia. Description: Test2 for James Suh.
 - 2023-10-004-DPH: Approved as exempt as non-research, Exp Exempt. PI: Camarena, Paul. Description: Test. (This IRB number is circled in blue and pointed to by a red arrow).
- Inactive Projects: 2 PI, 2 Co-Principal Investigator, 1 Research Associate.

Text on the right side of the dashboard: "Click on a project's IRB # to open the project details page"

- The **xForms** tab lets you view any applications in progress. You can view applications that have already been submitted (but not yet approved) as well as applications that have been started but not submitted.

“xForm” refers to any form (i.e., new application, amendment application, annual progress report, create new contact form, etc.) that can be completed in the IRBManager system. For our purposes, the terms “xForm” and “application” can be used interchangeably.

The screenshot shows the 'My Projects' section with the following elements:

- Top navigation: 0 Reviews, 4 IRB, 4 xForms.
- Buttons: Start xForm, Export to Excel.
- Status filters: 1 Unsubmitted, 3 Being Processed At A Later Stage.
- Application Cards:
 - Amendment application (Draft): Camarena, Paul. Data Entry. 2024-01-008-DPH. Started on 05/02/2024 at 2:10 PM PT.
 - IRB Application: Camarena, Paul. Vice Chair review Initial Submission. 2024-05-003-DPH. As of 05/06/2024 at 3:31 PM PT.
 - IRB Application: Kwon, Alysia. Office screening. Camarena, Paul. As of 06/09/2022.

- The **Events** tab lets you view any items that require your attention such as progress report/Annual Continuing Review due dates or expiration dates for studies whose approval period is coming to an end.

The screenshot shows the 'Events' tab selected. The top navigation bar displays counts for IRB (4), xForms (4), and Events (12). Below the navigation bar are filter tiles: PI (2), Amendment (1), Annual Progress Report (1), Continuing Review (1), NHSR Submission (1), and Reportable Events (1). The main content area shows six project tiles:

Initial Submission 2024-03-003-DPH 03/13/2024 Romo, Tiffany	Reportable Events 2022-04-995-DPH 10/27/2023 Kwon, Alysia	Initial Submission 2023-05-011-DPH 05/25/2023 Moore, Kim
NHSR Submission 2023-04-004-DPH 04/10/2023	Initial Submission 2022-12-006-DHS 12/29/2022	Initial Submission 2022-05-998-DPH 10/20/2022

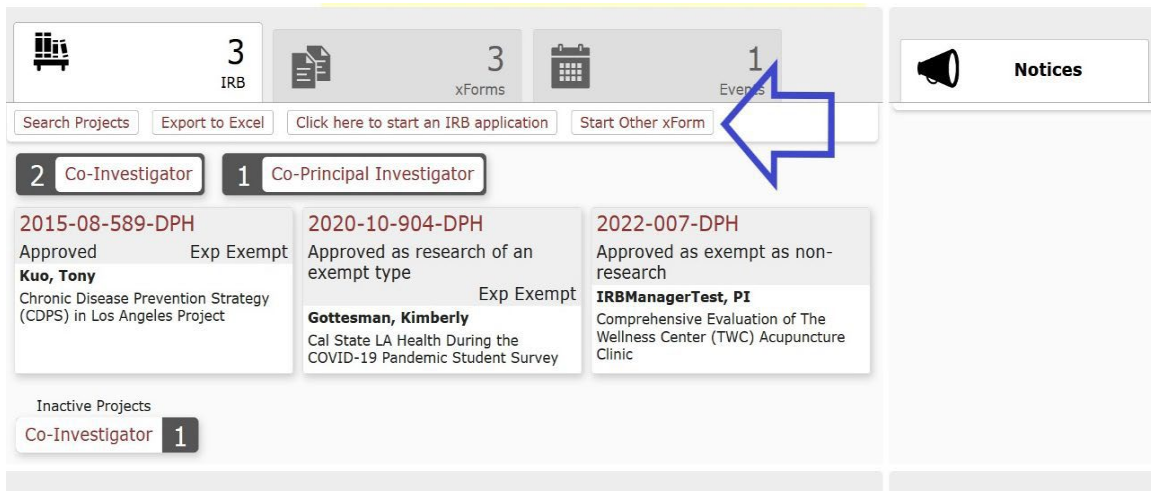

- The tiles indicated in the screenshot below are filters that allow you to view certain projects depending on the filter. Different filter tiles will be available depending on the tab that is selected. In the image below, the IRB tab is selected and the filter tiles let you filter your projects by your role (i.e., Co-Investigator, etc.).

The screenshot shows the 'IRB' tab selected. The top navigation bar displays counts for IRB (3), xForms (3), and Events (1). Below the navigation bar are filter tiles: Co-Investigator (2) and Co-Principal Investigator (1). The main content area shows three project tiles:

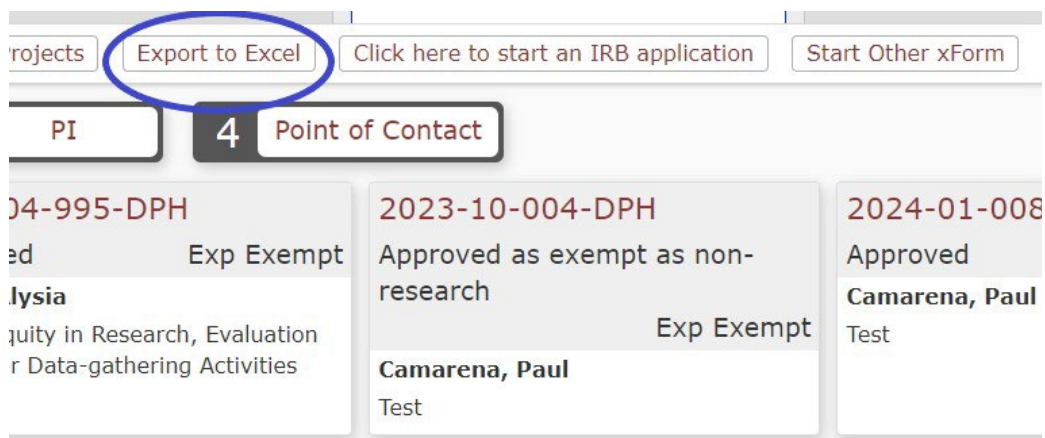

2015-08-589-DPH Approved Exp Exempt Kuo, Tony Chronic Disease Prevention Strategy (CDPS) in Los Angeles Project	2020-10-904-DPH Approved as research of an exempt type Exp Exempt Gottesman, Kimberly Cal State LA Health During the COVID-19 Pandemic Student Survey	2022-007-DPH Approved as exempt as non-research IRBManagerTest, PI Comprehensive Evaluation of The Wellness Center (TWC) Acupuncture Clinic
--	--	--

Below the project tiles, there is an 'Inactive Projects' section with a filter for Co-Investigator (1). A blue arrow points to the 'Co-Principal Investigator' filter tile.

- The buttons indicated in the image below allow you to complete various tasks directly from the dashboard. However, if you would like to submit an application for an already approved project, you will not be able to do so using these buttons. You will need to open the project details page for that particular project and start an application from there (see [Section 6](#)).

- The “Export to Excel” function will generate an Excel spreadsheet that displays your projects and their associated project details.

SECTION 3. SUBMITTING A NEW IRB APPLICATION

- If you would like to start a new **IRB Application**, make sure the IRB tab is selected on your dashboard and click on the button that says “Click here to start an IRB application” (see the image below).

- A blank IRB application will open in a new window. Please enter the required information and upload supporting documents in the spaces provided. Refer to the new application checklist available on the IRB’s website ([click here](#)) for more details about requirements for a complete application.

A screenshot of the IRB application form. The top header includes the 'COUNTY OF LOS ANGELES Public Health' logo, a 'Collaborators' button, a 'Study Information' dropdown menu, 'Page 1 of 8', and a 'Next' button. The main section is titled 'IRB Application -- Study Information'. It contains four input fields: 1. 'Please enter the name of the person creating this form.' with 'Camarena, Paul' entered and 'Email: pcamarena@ph.lacounty.gov' below it. 2. 'Instructions for completing this application.' with the text 'All applications for review must be submitted using IRBManager.' 3. 'Project title (Required)' with a large empty text area. 4. 'If the principal investigator/project lead or any other personnel is not found in the system use this form to add them to IRBManager.' with a 'Start new contact form' link below it. Each input field has 'Add Note' and 'View Audit' links on the right.

- Please ensure that supporting files are labeled in a way that makes them easily identifiable and that they are uploaded in the appropriate sections of the application.
- Please delete any files that are no longer current or relevant. You can delete existing attachments by clicking on the red “X” next to the attachment.

Other

Please attach your HIPAA training certificate *(Required)*

  TEST.docx HIPAA training certificate

Some questions require a response and you will not be able to navigate to the next page using the Next button (bottom of the page) without providing an answer to the required question(s). If you would like to navigate between the different pages of the application without answering all required questions on a particular page, use the dropdown menu at the top of the page (see the screenshot below).

Collaborators Study Information Page 1 of 7

Please enter the name of the person creating this form. Add Note View Audit

Camarena, Paul

Email: pcamarena@ph.lacounty.gov

Instructions for completing this application. Add Note

All applications for IRB review must be submitted using IRBManager. Applications not submitted within 60 days will automatically be closed. If you would like to navigate between pages of the application without completing all required questions on each page, please select the desired page from drop-down menu at the top of the application.

Project title *(Required)* Add Note View Audit

- Using the dropdown menu will allow you to select the specific page of the application you would like to open. Any information you have entered on the application will be saved when navigating between the pages using the dropdown menu.

- If you would like to save the application and continue working on it at a later time, click on the “Save for Later” button at the bottom of the page.

SECTION 4. CREATING A NEW CONTACT

- Each person must have a contact in the IRBManager system before they can be added to an application. You can create a contact in two ways: from your dashboard when you first log in, or by clicking on the “Start new contact form” button directly from an open application.

To create a contact from your dashboard

- Click on “Start xForm” (make sure the *xForms* tab is selected) and you will be taken to the screen shown below. Click on “Create new contact” to open the *new contact details* page.

Select xForm to start		
Action	Form (Click to start)	Description
	Create new contact	Create new contact
	IRB Application	IRB Application

- Enter the required information and click “Next” at the bottom of the contact details page to complete the new contact creation.

Create new contact -- New contact details

Form creator [Add Note](#) [View Audit](#)

Camarena, Paul
Email: pcamarena@ph.lacounty.gov

Please enter the email address for the user you wish to add. *(Required)* [Add Note](#) [View Audit](#)

New contact information [Add Note](#) [View Audit](#)

Please fill out the questions for the person you're creating the contact for.

Prefix *(Required)*
i.e., Mr., Ms., Dr., Professor

First name *(Required)*

Last name *(Required)*

To create a contact from an open application

- Click on the “Start new contact form” button which is located just before the section where you are asked to enter the Principal Investigator (PI)/project lead information. You can click this button multiple times to create as many contacts as needed (each new contact form will open in a new window).

Project title *(Required)*

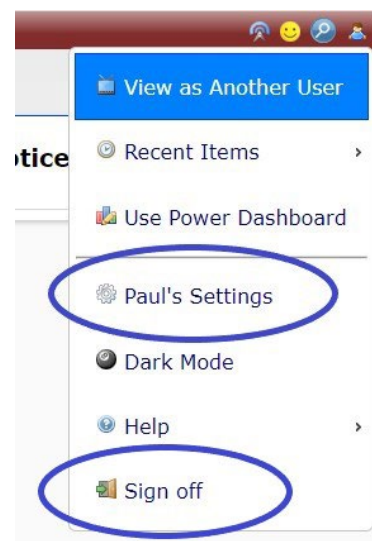

If the principal investigator/project lead or any other personnel is not found in the system, click the link below to create a contact for them.

[Start new contact form](#)

- Clicking on “Start new contact form” will open the *new contact details* page. Enter the required information and click “Next” at the bottom of the page to complete the new contact creation.

SECTION 5. CHANGING SETTINGS AND LOGGING OFF

- If you would like to change settings or sign off from IRB Manger, click on the person icon in the upper right-hand corner of the dashboard. Your menu may look slightly different than the image but the *settings* and *sign off* functions will be present.

SECTION 6. SUBMITTING AMENDMENTS, ANNUAL PROGRESS REPORTS, AND ANNUAL CONTINUING REVIEW REQUESTS

- From your Dashboard, select the project for which you are submitting an amendment, annual progress report, or annual continuing review request, by clicking on the project's IRB number (hyperlinked as shown in the image below).

The dashboard shows 1 IRB and 0 xForms. Below the statistics are buttons for 'Search Projects', 'Export to Excel', 'Click here to start an IRB application', and 'Start Other xForm'. A 'Coordinator' section shows 1 coordinator. A project card for '2018-10-771-DPH' is highlighted, with a red arrow pointing to the ID and the text 'Click here to view project details'. The project details include: 'Approved as research of an exempt type', 'Exp Exempt', 'Kuo, Tony', and 'Proposition 56 Evaluation Activities, Objectives 1,2,3,& 5'.

If the project for which you would like to submit an amendment, annual status report, or annual continuing review request is not visible on your dashboard, please contact the IRB office. Projects are only visible on your dashboard if you have been listed on a previously approved IRB application or if you have been added as a collaborator by IRB staff.

- On the next screen (the *project details* page), click “Start xForm” from the menu on the left.

The screenshot shows the 'Project-Site' details for 'Project 2018-10-771-DPH (IRB)'. The left-hand menu has 'Start xForm' circled in red with a blue arrow and the text 'Click here'. The main content area displays project information:

- Department: [blank]
- Agent Types: [blank]
- Title: Proposition 56 Evaluation Activities, Objectives 1,2,3,& 5
- Year: 2022
- Consent Waiver: [blank]
- Continuing review justification: Exempt 45 CFR 46.104(d)(1)
- Categories: [blank]
- HIPAA Waiver: [blank]
- Purpose of the study (for letter): [blank]
- Vulnerable populations: [blank]
- Site(s): DPH - Department of Public Health
- PI: Kuo, Tony
- Status: Approved as research of an exempt type
- Approval: September 30, 2021
- Initial Approval: September 30, 2021
- Other Expirations: Annual Progress Report 09/29/2022
- Language: [blank]
- Use of Minors: [blank]
- Review: [blank]
- Program: [blank]

- On the following page, click on the link in the *Form* column to open the desired application in a new window.

Start Form on Project-Site 2018-10-771-DPH

Select xForm to start

Select the desired xForm

Action	Form (Click to start)	Description
	Amendment application	Amendment application
	Annual Progress Report	Annual Continuing Review/Progress Report

- Complete the application by responding to all questions and uploading all required documents. Refer to the amendment and annual progress report/ACR checklists, as applicable, available on the IRB’s website ([click here](#)) for more details about what is required for a complete application.
- When you reach the end of the application, click “Submit” to move the application to the next stage.

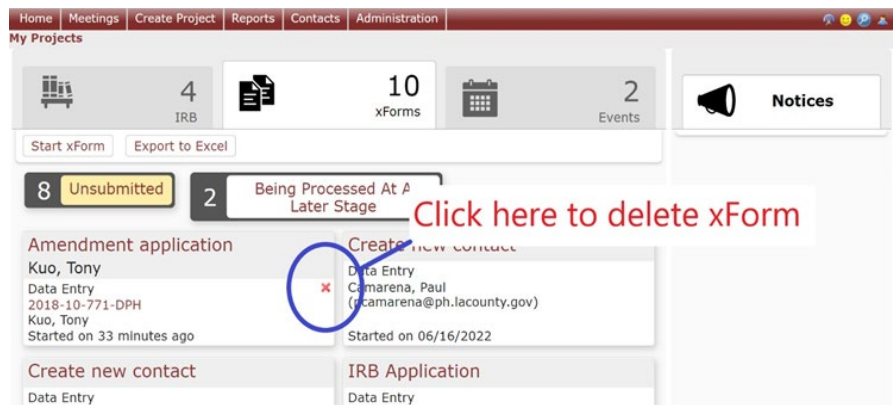

FINAL REPORTS

- To submit a final report, start by opening a blank annual progress report. Respond to the questions and, when asked to indicate the current study status, select the “Study completed, attach final report” answer choice.
- You will be prompted to upload a final report near the end of the application. When you reach the end of the application, click “Submit” to move the application to the next stage.

SECTION 7. DELETING APPLICATIONS

- Applications in progress can only be deleted during the *Data Entry* stage (i.e., prior to being submitted for review). To delete an application, click on the xForms tab and then select the “unsubmitted forms” filter.

- Hover your mouse on the application you would like to delete and click on the red “X” that appears to complete the deletion (shown below).

SECTION 8. UPLOADING DOCUMENTS AS ATTACHMENTS

- Each attachment should only contain one document type (e.g., recruitment letter, informed consent document, survey, etc.). For instance, when uploading data collection materials, do not include or attach consent or recruitment documents.
- If more than one type of data collection instrument will be used (e.g., a survey, an interview script, etc.), upload each document separately.
- Please follow these instructions for attaching documents in xForms:
 - Click “Add Attachment” to open a pop-up window on screen
 - Click “Select files” to browse for the document you wish to attach
 - Click “Attach” and the window will auto close and attach the document to your application

SECTION 9. INFORMATION REQUESTED BY THE IRB

- Your application may be returned to you during the screening and/or IRB review process with a request for additional information and/or revisions.

- An email will be sent to the person who created and submitted the form (the “form creator”) as well as the PI/project lead informing them that their application is being sent back for additional information and/or revisions.
 - Please click on the BLUE link provided in the email to navigate directly to your application. If you are not logged in to IRB Manager, you will be prompted to do so first before you can access the application.
 - Items that require attention can be viewed by selecting the xForms tab and then clicking on the “Awaiting your Attention” filter.
 - Please include ‘tracked changes’ and ‘clean’ versions (i.e., without any internal comments, markings, changes, etc.) of any files that are revised in response to a request from the IRB.
- When the application and supporting materials have properly addressed the IRB’s request, remember to sign and submit the application to move it to the next stage.

SECTION 10. CHECKING THE STATUS OF YOUR APPLICATION

- To view the status of an application, navigate to your dashboard. On your dashboard, click on the *xForms* tab to view your applications in progress.
- The stage that an application is currently in is listed in the tile below the name of the application (refer to the red underline in the screenshot below).

The screenshot shows the IRB Manager dashboard. At the top, there are three tabs: 'Reviews' (2 items), 'IRB' (1 item), and 'xForms' (4 items). Below the tabs are two buttons: 'Start xForm' and 'Export to Excel'. The main dashboard area has three filter tiles: '1 Awaiting Your Attention' (highlighted in orange), '2 Unsubmitted', and '1 Being Processed At A Later Stage'. Below the filters is a grid of application tiles. The first tile is 'Amendment application (Draft)' by Khokhlov, Crystalanya, with a red underline under 'Stips' in the description. The second tile is 'Annual Progress Report' by Kwon, Alysia, with a red underline under 'Data Entry'. The third tile is 'IRB Application (Draft)' by Camarena, Paul, with a red underline under 'Data Entry'. The fourth tile is 'IRB Application' by Kwon, Alysia, with a red underline under 'Office screening'.

Application Name	Author	Current Stage	Started On
Amendment application (Draft)	Khokhlov, Crystalanya	Awaiting Your Attention	06/26/2025 at 1:19 PM PT
Annual Progress Report	Kwon, Alysia	Unsubmitted	03/19/2025
IRB Application (Draft)	Camarena, Paul	Being Processed At A Later Stage	05/22/2025
IRB Application	Kwon, Alysia	Being Processed At A Later Stage	As of 06/09/2022

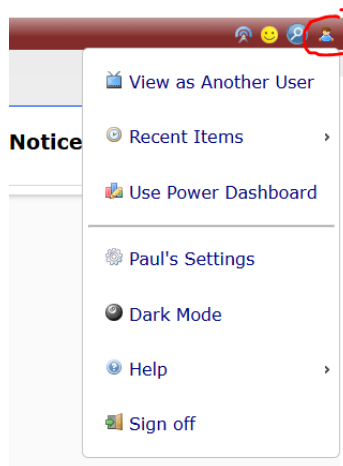

- Clicking on the “Being Processed At A Later Stage” filter tile will display applications that are in a stage of screening/review by the IRB and do not require your immediate attention.

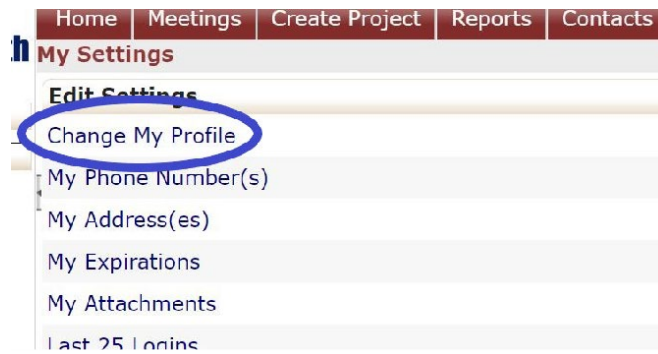

- Clicking on the “Unsubmitted” filter tile will filter your existing xForms to display forms that have not yet been submitted to the IRB.

SECTION 11. UPDATING YOUR PROFILE INFORMATION

- All users should make sure their profile information, including name and degree(s), is correct. To update your profile information, click on the person icon in the top right corner of your dashboard (see image below) and select “Settings” to go to the next page.

- On the *Settings* page, select “Change My Profile”.

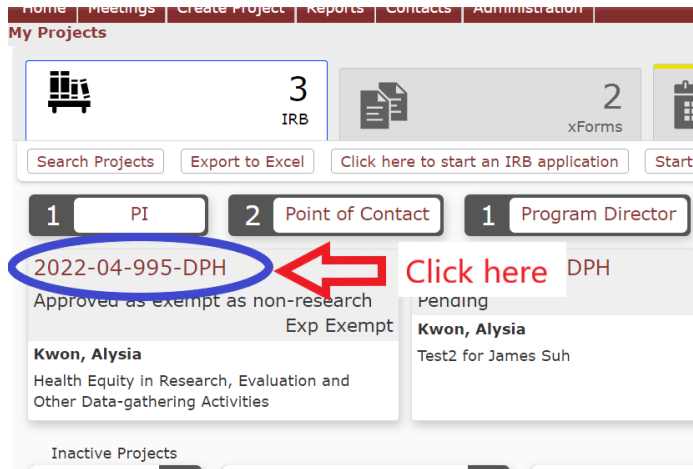

- On the *Change My Profile* page, please make sure your name, degree, and email address are correct. If you need to make corrections, update your information on this page and then click the “Update” button at the bottom of the page.

 A screenshot of the 'My Profile' page. At the top, there are navigation tabs: Home, Meetings, Create Project, Reports, Contacts, and Administration. To the right of the tabs is a search bar labeled 'Find Project (Ctrl+Q)' and a 'Help Paul's Set' link. Below the navigation is the 'My Profile' header. The main content area is titled 'User Information' and contains two columns of form fields. The left column includes: 'Prefix (Mr, Dr, etc):' with a dropdown menu, 'Middle Name:', 'Suffix (Jr, III, etc):', and 'Specialty:'. The right column includes: 'First Name: Paul', 'Last Name: Camarena', 'Degree: MPH', 'Email Address: pcamarena@ph.lacounty.g', and 'From Address for Outbound Email:'. A blue arrow points from the 'Last Name' field to the 'Degree' field. At the bottom left of the form is an 'Update' button.

Section 12. Reporting an Unanticipated/Adverse Event

- From your dashboard, click on the IRB # of the project that pertains to the unanticipated/adverse event. Clicking on the IRB # hyperlink will open the project details page.

- On the *project details* page, click on “start xForm” from the menu on the left-hand side of the page.

- On the following screen you will be presented with a list of applications. Please select the “Unanticipated/Adverse Events Form” by clicking on the hyperlink to open the form.

Start Form on Project-Site 2022-04-995-DPH

Select xForm to start

Action	Form (Click to start)
	Amendment application
	Annual Continuing Review
	Annual Progress Report
	Unanticipated/Adverse Events Form

- Respond to the questions in the form and click “Submit” at the bottom of the page.

Section 13. Viewing Attachments from Past Applications

- If you would like to view any supporting documents from past applications, first open the *project details* page by clicking on the desired project from your dashboard.

The screenshot shows a dashboard with several project cards. The card for project 2023-10-004-DPH is highlighted with a blue circle. A red arrow points from a notice box on the right to this card. The notice box contains the text: "Click on a project's IRB # to open the project details page".

- On the project details page, scroll down to the “Events” section. Here you can find a list of all events (i.e., applications that have been approved) for this project.

Project 2022-04-995-DPH (IRB) Help

thus Subpart D does not apply.
