

Aliso Canyon Gas Leak

Door-to-Door Public Health Survey

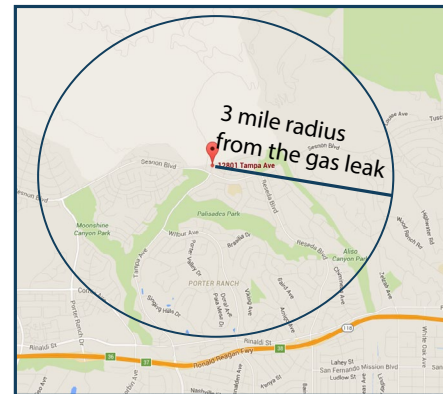

Los Angeles County Department of Public Health teams will go door-to-door to conduct surveys with residents to continue evaluating community health in relation to the gas leak. Participation is voluntary, and answers will be kept private. Public Health is working to protect the residents affected by the gas leak.

When:

Thursday, March 10 from 1 - 6 p.m.
Friday, March 11 from 9 a.m. - 6 p.m.
Saturday, March 12 from 9 a.m. - 6 p.m.

Where:

Public Health staff will randomly select homes within a three mile radius of the SS-25 well.

Learn more at: www.publichealth.lacounty.gov/media/gasleak

Surveys will only be conducted if the resident is home, and not all residents in the area will be surveyed. Each survey will take approximately 10 minutes.
