LOS ANGELES COUNTY – DEPARTMENT OF PUBLIC HEALTH
MATERNAL, CHILD, AND ADOLESCENT HEALTH PROGRAMS

VACANCY ANNOUNCEMENT

PUBLIC HEALTH NURSE
Family Stabilization (FS) Pilot Project

Maternal, Child, and Adolescent Health Programs (MCAH) is seeking a Public Health Nurse (PHN) to serve as a Health Coordinator for a new collaborative pilot project between the Department of Public Health (DPH) and the Department of Public Social Services (DPSS). The FS Pilot Project seeks to improve health and employment outcomes for California Work Opportunities and Responsibility for Kids (CalWORKs)/Welfare-to-Work (WtW) participants enrolled in the FS Pilot Program. The FS Pilot provides case management and support services to clients who are experiencing one or more destabilizing situation or crises that prevents them from participating in workforce activities. Co-located within one of the DPSS GAIN regional offices and working closely with the multidisciplinary FS team, the PHN will utilize knowledge of nursing, comprehensive client needs assessment, home visitation, care coordination and procedures for client referrals/linkages to needed health and support services.

Minimum Requirements

- Must currently be a permanent Los Angeles County employee who holds the payroll title of Public Health Nurse (for lateral transfer), or
- Must be on a reachable Public Health Nurse certification list

Examples of Job Functions:

- Provide health screening and assessment of health care needs;
- Provide home visit case management to a variety of areas in or around SPA 8;
- Data collection and entry on FS clients;
- Establish policies and protocols;
- Provide training to DPSS team on desired health topics;
- Establish and maintain effective interpersonal and working relationships with multidisciplinary staff;
- Coordinate and establish and community partners to coordinate care and to refer/link clients and their families to needed health care/support services.
- Ability to provide services in a culturally sensitive manner.
- Able to write and articulate well,
- Participate in Targeted Case Management Program.

Desirable Qualifications

- Strong observation, interviewing and critical thinking skills to identify medical and health related needs and other relevant information during client/family interactions in a variety of settings.
- Participated in pilot projects and experienced in the flexibility required with pilot programs;
- Highly organized, flexible and able to perform multiple tasks and establish priorities independently;
- Ability to use community resources available to clients and families in need of health care services.
- Ability to manage an assigned caseload, including client/family needs assessment, health care coordination, service referrals/linkage and nursing consultations to meet the medical and health care needs of clients and their families.

Interested applicants must submit a resume with a cover letter, time records of past 2 years and the last two (2) performance evaluations to MCAH, attention to Jean Oh JOh@ph.lacounty.gov 213-637-8483 by 5/8/17.

THIS IS NOT AN OFFICIAL EXAMINATION BULLETIN.
NOTE: ONLY THE MOST QUALIFIED APPLICANTS WILL BE INTERVIEWED
