EDIBLES

Can marijuana edibles send a child to the ER? After recreational marijuana stores opened in Colorado, twice as many children under age 10 went to emergency rooms after consuming marijuana. Almost half of the cases involved kids accidentally eating marijuana edibles.

VAPING & E-CIGARETTES

A safer alternative to smoking marijuana? Experts say *no*. It is difficult to measure how much THC is inhaled, and the risk of overusing is high, especially for inexperienced users. Burns and injuries from exploding e-cigarettes and vaping devices are increasing.
