

FOR ADMINISTRATOR USE ONLY

Survey ID: _____ Date: ___ / ___ /2012 Time: ____:____ am pm

Type of Location (school, grocery store, church, private residence): _____

What language was this survey administered in? English Another language (Specify): _____

A1. City or community of residence: _____ A2. Age: _____ A3. Gender: Female Male Transgender

First we would like to ask you some questions about alcohol and drugs in our community. Please answer as best you can.

B1. What are the 3 biggest reasons for alcohol or drug misuse by youth and young adults in your community?

- ① Too many liquor or grocery stores
- ② Bars or restaurants sell alcohol to people under 21
- ③ Liquor or grocery stores sell alcohol to people under 21
- ④ Parents/guardians allow use in the home or at family events
- ⑤ Drug dealing
- ⑥ Drug houses
- ⑦ Drinking in public allowed (beaches, community events, neighborhoods)
- ⑧ Medical marijuana dispensaries/businesses
- ⑨ Alcohol billboards or advertisements
- ⑩ Easy access in the home
- ⑪ Peer pressure/influence
- ⑫ Lack of consequences at school or home
- ⑬ Lack of positive activities
- ⑭ Sales of drug paraphernalia

Other than those above, what are other reasons for alcohol and drug misuse in your community? _____

B2. What are the 3 biggest substance use problems in your community?

- ① Alcohol
- ② Marijuana
- ③ Methamphetamine use
- ④ Ecstasy
- ⑤ Inhalants
- ⑥ Over-the-counter medications used to get high
- ⑦ Prescription medications used to get high

When thinking about your community, how effective are the following services or activities in addressing alcohol and/or drug use:

	Very effective	Somewhat effective	Ineffective	Does not exist	I don't know
B3. Laws and policies that discourage alcohol and drug or substance use (local/city ordinances, zoning, drug-free zones)	①	②	③	④	⑤
B4. Police enforcement of laws and policies that discourage substance use	①	②	③	④	⑤
B5. School-based substance abuse prevention education	①	②	③	④	⑤
B6. Local schools enforce zero tolerance	①	②	③	④	⑤
B7. Supervised after-school activities for youth such as church programs, mentoring programs, skills training programs, teen centers, and youth community action groups	①	②	③	④	⑤
B8. Businesses or communities that voluntarily take steps to stop loitering, litter, or graffiti	①	②	③	④	⑤

Please indicate whether you support the following:

	Support	Do not support	I don't know
B9. Limiting alcohol sales at community events, such as at football games and county fairs.	①	②	③
B10. Limiting the type of alcoholic beverages sold at liquor stores.	①	②	③
B11. Using laws to restrict when, where and how alcohol is sold.	①	②	③
B12. A local law regulating medical marijuana businesses — similar to the way alcohol businesses and pharmacies are regulated.	①	②	③
B13. A local ban on medical marijuana businesses.	①	②	③
B14. A tax increase of 5 cents per drink on beer, wine, and liquor to pay for programs to prevent underage drinking.	①	②	③
B15. A law that penalizes adults who illegally provide alcohol to teenagers.	①	②	③
B16. A law that would ban all advertising of alcoholic beverages on billboards and public property.	①	②	③
B17. A law requiring restaurant owners to receive training on how to serve alcohol responsibly.	①	②	③

Now we would like to ask where youth are likely to get alcohol and drugs in your community. Please answer as best you can.

C1. How easy do you think it is for underage drinkers to get alcohol?

- ① Very easy ② Somewhat easy ③ Somewhat hard ④ Very hard ⑤ I don't know

How do most young people who use the following usually get them? (Select all that apply)

	At school	At parties	At their own home	From adults at friends' homes	From friends or another teenager	Get adults to buy it for them	Clubs, bars, gambling casinos	Community events
C2. Alcohol (e.g. beer, wine or liquor)	①	②	③	④	⑤	⑥	⑦	⑧
C3. Marijuana (e.g. pot, weed, grass, hash, bud)	①	②	③	④	⑤	⑥	⑦	⑧
C4. Methamphetamine (e.g. speed, crystal meth, crank, ice)	①	②	③	④	⑤	⑥	⑦	⑧
C5. Ecstasy (e.g. MDMA, Molly, X, XTC)	①	②	③	④	⑤	⑥	⑦	⑧
C6. Inhalants (e.g. things you sniff, huff, or breathe to get "high" such as glue, paint, aerosol sprays, gasoline, poppers, gases)	①	②	③	④	⑤	⑥	⑦	⑧
C7. Over-the-counter medications to get high (e.g. Robitussin, Sudafed, cough syrup)	①	②	③	④	⑤	⑥	⑦	⑧
C8. Medicines prescribed by a doctor and used to get high (e.g. Valium, Xanax, Percocet, OxyContin, OxyCodone, Adderall, Ritalin, Vicodin)	①	②	③	④	⑤	⑥	⑦	⑧

C9. Other than the ways listed above, is there any other way that young people usually get alcohol or drugs? (Describe below:)

C10. Do you know of any store in your neighborhood or near your home that sells beer, wine or liquor to young people under age 21?

- ① Yes ② No

C11. If yes, how likely are you to report the store owner to the authorities?

- ① Very likely ② Somewhat likely ③ Somewhat unlikely ④ Very unlikely

C12. If not, why not?

- ① Do not know who to report it to ② Do not think it would help ③ Other

C13. How easy do you think it is for young people to get marijuana?

- ① Very easy ② Somewhat easy ③ Somewhat difficult ④ Very difficult ⑤ I don't know

C14. Are medical marijuana dispensaries legal in your city?

- ① Yes ② No ③ I don't know

C15. Has a doctor or nurse asked you about your drinking or drug use in the past year?

- ① Yes ② No ③ I haven't seen a doctor or nurse during the past year

When thinking about your community, how much do you agree with the following statements:

	Strongly agree	Somewhat agree	Somewhat disagree	Strongly disagree	I don't know
C16. Prescription drugs are safer to use to get high than illegal drugs	①	②	③	④	⑤
C17. Medical marijuana obtained at legal dispensaries is often sold or given to others who don't have a medical marijuana card	①	②	③	④	⑤
C18. Securely storing and/or tracking your prescription medications in the home that can be abused (e.g., Valium, Xanax, Percocet, OxyContin, Adderall, Ritalin and Vicodin) will help prevent youth from misusing those substances	①	②	③	④	⑤
C19. Medical marijuana dispensaries have led to increased marijuana use	①	②	③	④	⑤
C20. Drug dealing is frequently going on in parks, street corners, and other locations	①	②	③	④	⑤
C21. Youth commonly attend house parties where substance use is likely going on	①	②	③	④	⑤
C22. Medical marijuana dispensaries have led to a decrease in drug-related crimes	①	②	③	④	⑤

If you are a parent or guardian of someone under age 17, have you talked with him or her about the dangers of the following in the past year:

	Yes	No
C24. Alcohol use	①	②
C25. Marijuana use	①	②
C26. Methamphetamine use	①	②
C27. Ecstasy use	①	②
C28. Inhalant use	①	②
C29. Over-the-counter medications used to get high	①	②
C30. Medicines prescribed by a doctor used to get high	①	②

C31. If you called the police/sheriff to report a problem, how likely would they be to respond?

- ① Very likely ② Somewhat likely ③ Somewhat unlikely ④ Very unlikely ⑤ I don't know

Finally, we would like to ask about your own alcohol and substance use. Please remember that your answers are completely confidential.

During the past 30 days, on how many days did you drink...

	0 days	1 day	2 days	3-9 days	10-19 days	20-30 days	Refused
D1. At least one drink of alcohol	①	①	②	③	④	⑤	⑥
D2. Five or more alcoholic drinks in a row	①	①	②	③	④	⑤	⑥

During the past 30 days, on how many days did you use...

	0 days	1 day	2 days	3-9 days	10-19 days	20-30 days	Refused
D3. Marijuana	①	①	②	③	④	⑤	⑥
D4. Methamphetamine	①	①	②	③	④	⑤	⑥
D5. Ecstasy	①	①	②	③	④	⑤	⑥
D6. Inhalants	①	①	②	③	④	⑤	⑥
D7. Over-the-counter medications to get high	①	①	②	③	④	⑤	⑥
D8. A prescription pill to get high	①	①	②	③	④	⑤	⑥

Lastly, please answer the following questions.

E1. Which ethnicity/race do you most identify with?

- ① White not Hispanic
 ② Asian or Asian American
 ③ Native Hawaiian or Pacific Islander
 ④ Hispanic/Latino
 ⑤ Native American or Alaska Native
 ⑥ African American/Black not Hispanic

E2. Do you consider yourself multiracial or multiethnic?

- ① Yes ② No

E3. If yes, please specify: _____

E4. What language do you speak most often (other than English)?

E5. Which language are you most comfortable speaking?

- ① Only English
 ② English more than (specify other language:) _____
 ③ Both Equally
 ④ Other language more than English;
 (specify other language:) _____
 ⑤ Only other language;
 (specify other language:) _____

E6. How often do you watch TV in a language other than English?

- ① Never ② Rarely ③ Sometimes ④ Often ⑤ Very Often

E7. How often do you hang out with friends of your own culture/ethnic group?

- ① Never ② Rarely ③ Sometimes ④ Often ⑤ Very Often

THANK YOU VERY MUCH!
